Company Overview

Founded over 30 years ago, Corporate Image Interiors specializing in commercial furniture solutions for government and private sector clients. Led by Audrey Lochiatto, widely known as The Furniture Lady, the company combines expertise in space planning, design, procurement, and installation to create functional, cost-effective workspaces. With a proven track record of delivering high-quality results on time and on budget, Corporate Image Interiors partners with clients to transform offices, medical facilities, and institutional spaces into efficient, productive environments. CII is a certified Woman-Owned Business Enterprise (WBE)

Differentiators
